Y6 & Y3 Inspire Workshops

What an amazing turn out to both of our Inspire Workshops this half term. Our Year 3 and Year 6 pupils showcased their learning and became the experts who taught their Parents/Carers for the morning. Thank-you to all that came to support the event, we have had some superb feedback and will be continue to put on more events like this in the future 😊

Message from Mrs Samra

Thank-you to all our community for your well wishes! It has been a short but eventful half term. The curriculum is moving completely in the right direction with our intent for core subjects; Maths, English and Science being implemented with success. I would like to thank our hard-working teachers who have engaged with this to ensure that the quality of education for all pupils is moving from strength to strength. Our pupils have had many opportunities in the form of experiences and trips this half term too which has been incredibly exciting for them. Providing these experiences is fundamental to keep learning engaging. We have made great strides with our curriculum over a very short period of time and will be continuing with this journey over the academic year 😊

Attendance

The top 3 classes for attendance for this week were:

1. 6DC – 98% 2. 5LB – 97% 3. RPH – 96%

Well done 6DC for the second week running 😊

Parents Evening

Our Spring term Parents Evening will be held on Wednesday 28th February. We are trying to encourage as many Parents/Carers to attend as possible as it will be a chance for you to look in your child's books and see how far they have come with their learning. We are trialing a different schedule to Parents Evening which will be held over one afternoon/evening 13:20 – 18:30 rather than two separate evenings on different days. Scheduling time slots for this on Arbor will open for this on Monday 19th February. Time slots are based on a first come, first serve basis. Further information about this will be sent out in separate email on Monday 19th February.
