Christmas Dinner Day

On Wednesday our wonderful caterers hosted our Christmas Dinner Day. The children enjoyed eating a Christmas Dinner with their teachers and teaching assistants whilst listening to Christmassy music and dressing up for the occasion. It was a festive time for all 😊

Year 4 Inspire Workshop

What an amazing turn out to our first ever Year 4 Inspire workshop! Our Year 4 pupils showcased their learning and became the experts who taught their Parents/Carers for the morning. Thank-you to all that came to support the event, we have had some superb feedback and will be putting on more events like this in the future 😊

Staffing Update

We have successfully hired a Deputy Headteacher who will be joining Oakfield Primary Academy in January 2024. Mrs How has many years of teaching experience and has worked for Reach2 Academy Trust in the past. We are excited for Mrs How to join our school in the Spring term 😊

Stars of the Week

Congratulations to our stars of the week, we are so PROUD of you 😊

Nursery & Reception, you are all stars after performing at the nativity.
