Message from Mrs Samra

Happy New Year to all our pupils, parents and staff! It has been a tremendous start to 2024, our pupils have returned to school ready to learn and have been working hard to ensure that their work is presented neatly in their books and are focusing on articulating their learning. In assembly we discussed our aspirations for the year ahead and making new years resolutions that could support us physically, mentally or emotionally. It has been lovely welcoming our community back to school, we look forward to a wonderful Spring term 😊.

Fire Brigade Visit for Reception

As part of their 'People who help us' topic, Reception had a visit from the local fire brigade. The fire officers spoke about how they help people in the local community and what happens when they are called out to a fire. Our pupils had a chance to see the special kit that fire officers must wear and the different equipment used to help put out blazing fires. All of Reception also had a chance to sit inside a fire engine which was incredibly exciting 😊
